Workshop 201: Engaging Partners to Address Reentry

Friday, February 7, 2020

10:00 AM - 12:00 PM

Parents with minor children make up 54% of those incarcerated nationwide. Almost all these parents will be returning to their communities at some point. What ways can the child support program engage with stakeholders to assist parents facing challenges with housing, employment, transportation, and expungements? How can stakeholders effectively reach into institutions to begin addressing barriers before release? This workshop will feature collaborations between child support agencies and community partners and discuss how they are working to address barriers and set reentering parents on a path to success.

Speakers: John Ginwright, Christy Nichols, Kathi Schear

Moderator: Joe Mamlin
