Workshop 301: Successful Fatherhood Programs

Friday, February 7, 2020

3:30 - 5:00 PM

The child support program plays an important role in helping fathers gain access to resources they need to move their families toward self-sufficiency. In this session, state child support staff will discuss how they use a focus on fatherhood-based programs to better equip fathers to meet their child support obligations.

Presenters will show how child support staff can help fathers prepare for work, overcome legal challenges, address substance abuse, and deal with behavioral health issues so they can be involved in their children's lives. Come hear firsthand about how they have been successful in moving child support led fatherhood initiatives forward.

Speakers: Kiska Dennis-Gear, Kimberly Dent, Amy Miragilotta
